Freund Bonus Sets

More for less

The Freund bonus sets are our cleverly assembled product bundles designed to fit perfectly in your hands. They contain exactly what you need to work better and faster, ensuring you always have the right tool at hand. The must-have premium tools, perfectly coordinated to one another — all at a truly advantageous price. More Freund for less money.

Freund Flat Roof Bonus Set

Application

Flat roof bonus set: Press – Cut – Check!

Advantages & comfort

Silicone pressure roller | 04222045

Fine roller: For seam joining when overlap welding high-polymer roofing and sealing membranes

- Keeps on track: Two sealed smooth-running ball bearings ensure perfect rolling.
- Efficient force transfer: The short distance between the silicone roller and the handle, along with the centered position of the roller in front of the handle, ensures optimal power transfer while protecting the wrist.
- Comfortable: Finger groove in the handle provides optimal handling.
- Highly precise: Axles and components are finely adjusted and screwed together.

Brass wheel pressure roller | 04226000

Angled problem solver: Ideal for particularly tight valley situations

- High pressure: Narrow brass wheel provides strong contact pressure.
- Durable: Solid support bracket made from a single piece.
- Smooth running: Equipped with smooth-running ball bearings.

Seam tester | 04231000

Sharp inspector: Checks welded seams of roofing and sealing membranes for defects

- Gentle & safe: Seams can be checked easily with the rounded cone tip.
- Ergonomic: Wooden handle ensures excellent handling.
- Quick & easy: Angled tool tip allows easy inspection.

Multigraph marking pen | 03130000

Universal marker: For marking on a wide range of materials

- Versatile: Suitable for smooth surfaces such as metal, sheet metal, foil, plastic, or steel.
- Durable: Made from linden wood.
- Handy: Triangular shape and 24 cm length ensure optimal handling.

Foil shears | 02720250

Sharp long-distance cutter: Designed for continuous cutting of foils and high-polymer roofing membranes

- Powerful: Precision-ground blades for excellent cutting results.
- Stable: Twist-resistant blades.
- Durable: Crown screw can be readjusted; hardened blades and handles are forged from one piece.
- Ergonomic: Special handle for fatigue-free working.

Item no. 04670081

Item no.	Version	Dimensions
04670081	Flat roof bonus set	285 (L) x 40 (W) x 330 (H) mm
Included in the set:		
02720250	Foil shears, robust metal construction	260 mm
03130000	Multigraph marking pen	240 mm
04222045	Silicone pressure roller, smooth-running ball bearings	45 mm
04226000	Brass wheel pressure roller, smooth-running ball bearings	28 x 6 mm
04231000	Seam tester, 90° angled	240 mm

Freund Pitched Roof Bonus Set

Application

Pitched roof bonus set: Fix – Staple – Clip!

Advantages & comfort

2 x Hammer tacker Freund 19 | 01741119

Powerful Fastener: For fixing roofing underlays, under-roof membranes, and foils

- Gentle and Efficient: Lightweight yet sturdy construction reduces effort during work.
- Quick and Easy: Reloading with a practical top-load mechanism.
- Comfortable: Flexible ejector blade reduces staple jams.
- Ergonomic: Easy and comfortable handling thanks to the soft-touch grip.
- Durable: Made from robust, high-quality steel with a flexible ejector blade.
- Compatible: For round-wire staples 37/4 – 37/6 mm.

3 x Round-Wire staples 37/6 | 01741019

Essential Accessory: For fastening roofing underlays, under-roof membranes, and foils

- Time-Saving: No downtime thanks to the perfect coordination of staples with the tacker's striking blade.
- Convenient: Easy removal thanks to optimized packaging.
- Durable: Long-lasting adhesion of the round-wire staples.

Multigraph marking pen | 03130000

Universal Marker: For marking on a wide range of materials

- Versatile: Suitable for smooth surfaces such as metal, sheet metal, foil, plastic, or steel.
- Durable: Made from linden wood.
- Handy: Triangular shape and 24 cm length ensure optimal handling.

Item no. 04670082

Item no.	Version	Dimensions
04670082	Pitched roof bonus set	285 (L) x 40 (W) x 330 (H) mm
Included in the set:		
01741119	2 x Hammer tacker Freund 19 for round-wire staples 37/4–37/6	280 x 45 mm
01741019	3 x Round-wire staples 37/6 (each pack contains 5,000 pieces)	80 mm
03130000	Multigraph marking pen	240 mm

Freund Sheet Metal Bonus Set

Application

Sheet metal bonus set: Bend – Seam – Cut!

Advantages & comfort

UltraVision Seaming Pliers 45° | 01091160

Brilliant Bender: Full view of the sheet metal and bending without marking lines

- Revolutionary: Clear view of the sheet thanks to the large bending window in the jaws.
- Fast: More precise work without marking, thanks to the laser-engraved millimeter scale.
- Lightweight: Weight reduction through window cut-out and ergonomic grip recesses.
- Firm: No play, no wobbling thanks to the through-mounted joint.
- Ergonomic: Strong grip with the new wide handle design.
- Material-Friendly: Rounded jaw edges protect the material.
- Durable: High-quality powder coating.

Offset cutting snips, right | 01290180

Offset cutting snips, left | 01290181

Short Cutter: Handy ideal shears, perfect for curves

- Compact: Short compound-leverage ideal shears.
- Ergonomic: Lever mechanism and return spring reduce effort while working.
- Comfortable: 2-component soft grip ensures a non-slip hold.
- Wear-Resistant: Also suitable for cutting stainless steel (hardened to HRC 60–62).
- Fast & Precise: Proven cutting geometry and precision-ground blades.
- Practical: The latch releases automatically.

Multigraph marking pen | 03130000

Universal Marker: For marking on a wide range of materials

- Versatile: Suitable for smooth surfaces such as metal, sheet metal, foil, plastic, or steel.
- Durable: Made from linden wood.
- Handy: Triangular shape and 24 cm length ensure optimal handling.

Item no. 04670083

Item no.	Version	Dimensions
04670083	Sheet metal bonus set	315 (L) x 65 (W) x 330 (H) mm
Included in the set:		
01091160	UltraVision seaming pliers 45°, bending window & scale, stack joint	60 mm
01290180	Offset cutting snips, compound leverage, right-cut, HRC 60–62	180 mm
01290181	Offset cutting snips, compound leverage, left-cut, HRC 60–62	180 mm
03130000	Multigraph marking pen	240 mm
